Welcome back!

As we leave a rather wet and blustery winter and enter into spring we in Sheffield, I think you will agree, have been very fortunate with our weather compared to some U3As around the country. By now many of us will be busy with our group activities and looking at holidays and trips for the coming year, including those with SU3A. However, spare a thought for those members who have not been well or have experienced a recent bereavement. A phone call, an email or card can make a great difference to a member of your group who may have found themselves in these circumstances.

We are now approaching our AGM and I hope more of you will come to support our U3A. The AGM is also an opportunity to meet the Executive Committee and Officers. The entertainment before the meeting will be provided by Old Time Music Hall, Drumming and Singing for Pleasure. This year will see Chris Cave, treasurer, and John Lees and Shelagh Woolliscroft, co-opted general committee members, leave the EC. My thanks to them all and especially Chris who has been on the committee for 5 years.

To all our members I would like to remind you that if there is a group that is full or that you cannot find, we are a self-help organisation, so why not start one! Support and guidance are available from our website as well as from our General Group Coordinators.

As this edition of Links has to publish essential documents in preparation for our AGM, some articles have had to be cut or held back to the June edition... this also applies to the Chairman!

So, I briefly draw the attention of group coordinators to the upcoming Group Coordinators' meeting in April, a splendid opportunity to meet fellow coordinators and discuss issues and achievements. Don't forget the opportunity to showcase your group's work or achievements at Askham Bryan in August, whether it be your paintings/drawings, photographs or activities, e.g. Tai Chi, singing or croquet... Until next time.

Samina

## **Web Deputy Vacancy**

The Web Deputy is part of a friendly team responsible for the SU3A website. The Web Deputy's area of responsibility is the upkeep of all those pages listing information about the Groups, excluding the Group Home Pages.

All the information to go on those pages is provided by the Groups Data Manager or, occasionally, by one of the General Coordinators. The software used is Adobe's 'Dreamweaver'. Software and manuals are provided and some basic training is available. The time requirements are not onerous and the job mostly entails many small alterations at fairly regular intervals. A good level of accuracy is essential.

Please contact David Longson if you might be interested in this role.

The Minutes of the AGM held on 15 May 2014 (previously circulated) were agreed as a correct record.

## **2. Chairman's Annual Report**

The Annual Report had appeared in the April *Links*.

## **3. Treasurer's Report**

The Accounts for the year ended 31 December 2014 had been circulated to members via the April issue of *Links*.

Barry De Roeck asked what were the items of equipment referred to in the accounts. It was reported that a new sound system had been purchased, and a printer for the Secretary. The computer upgrade related to the Membership Records Officer's system. The Treasurer was also asked about cost of the Wild Apricot membership management system. He reported that the system cost about £2,500 a year, with a transaction fee of 35p for everyone who joins. No one at the meeting was able to suggest a less expensive system.

The approval of the Accounts was proposed by Barry De Roeck and seconded by Judith Vernier. Agreed by the majority. The Treasurer thanked Robert Mellors for his work as Independent External Examiner.

## **4. Elections to the Committee**

It was pointed out by John Richards that the new Committee members must be individually elected. Nominations have been received for:

Brian Cave - Proposed by Samina Aslam and seconded by David Longson  
Jenny Graaf - Proposed by Samina Aslam and seconded by Dot Sutcliffe  
Clare Chiba - Proposed by Rati Chiba and seconded by Tricia Pulfrey  
Mike Granville - Proposed by Pat Ryan and seconded by Jean Stevenson

Mike Granville introduced himself and gave details of his career and interests, and Clare Chiba gave details of her past work for U3A. In the absence of Jenny Graaf and Brian Cave the Chairman read out statements from them. The four nominees were individually elected unanimously. The meeting was asked to vote en bloc for the continuing members of the Executive Committee - Samina Aslam, David Longson, John Evans and Chris Cave. Tricia Pulfrey would stay on the EC during the transition period to help the new Secretary, Jenny Graaf. This motion was agreed and carried unanimously.

The Chairman reported that Robert Mellors had indicated he was prepared to continue as Independent External Examiner. This was agreed. Thanks were expressed to those retiring from the Committee – Jean Stevenson, Dot Sutcliffe, Jane Whitehead and John Wragg.

## **5. Change to the Constitution**

The following motion was proposed:

To enable the posts of Secretary, Treasurer and General Coordinator to be held by non-Committee members by inserting in Clause 6(ii) of the Constitution “if there is no suitable candidate for the posts of Secretary, Treasurer or General Coordinator on the Committee, the Committee may appoint non-Committee member(s) to those position(s), such appointment(s) to be effective only until the next Annual General Meeting”.

Chris Cave, in proposing the motion, spoke about the problems of recruiting to the Committee people with suitable skills and experience. Roy Pilkington, Derek Cave and John Richards all gave reasons for being against the motion, including possible problems with the Charity Commission and with Gift Aid. An amendment was proposed by John Richards as follows:

That the following words be added before the text subject to consultation with the National Office and the prior approval “of the Charity Commission”... and following on with “if there is no ...”

The amendment was approved on a majority vote, with 3 against and 3 abstentions. The Chairman said the Committee would need to refer the matter to the Charity Commissioners and take advice.

## 6. Any other business

No matters had been formally notified in advance, but various points were raised in an informal discussion.

- (i) **Sound systems.** Judith Vernier mentioned that members with various degrees of hearing loss were having difficulties at some venues. Only venues with a reliable loop system would enable them to hear speakers, and it was not always made clear beforehand whether this was available. She requested that where the U3A uses various premises (other than members' own homes) any publicity should include whether or not there is a loop system available. The Chairman said the Committee would discuss this and produce a list of venues.
- (ii) **Executive Committee.** Pat Ryan thanked the Committee members who were stepping down.
- (iii) **Membership.** Margaret Bullivant asked what the current criteria in relation to addresses/postcodes were for accepting new members, saying the Travel Group received applications from people who lived in different areas but gave a Sheffield address of a friend or relative. John Lees, who had provided the recommendations when he was previously a Committee member, said that at that time people outside of Sheffield were taking advantage of the Travel Group, and that the problem had obviously re-emerged. The current rule was that anyone who could realistically travel to Sheffield for a normal day's Group activity could join SU3A.  
The Chairman said that the new Committee would reconsider the matter from all aspects of modern life. She mentioned that the rule might be superseded by the proposed Travel Network, where any unfilled places on visits might be offered to other U3As
- (iv) **Book of Remembrance.** Shelagh Woolliscroft drew members' attention to the Book which was available for inspection in the hall.
- (v) **Links.** The Chairman mentioned that *Links* was only being produced 4 times a year instead of 6 because of a shortage of volunteers. A member suggested that a professional printer could be employed.

The Chairman thanked Ann Barclay for her work as Minute Secretary.

# Chairman's Annual Report for the AGM 2016

Sheffield U3A continues to grow in both numbers and group activities. 2015's membership was 3223 with 195 active groups. As we draw to the end of the membership renewal period, members choosing to renew or join online is 2037, a great help that reduces the burden on our volunteers who help with the running of our U3A. As our numbers increase the Executive Committee debated and decided that we would not change the boundary criteria for membership of SU3A, following the U3A principle of being open and inclusive.

As we continue to grow, communication with members is critical and we continue to utilise our website, emails and the *Links* magazine. The EC discussed and took the decision in late 2014/early 2015 to reduce the number of *Links* publications to 4 due to the pressure on our volunteers. In late 2015, we introduced a *Links Open Groups Supplement* magazine which will be produced by the Open Groups for the Open Groups twice a year along with 4 publications of the *Links* magazine. This means that members will still receive a magazine every two months. This has made life easier for the travel schedules for our Open Groups and has also created space and opportunities within *Links* to highlight the activities of individual members as well as group activities.

The monthly Drop-Ins continue to be very active with a new organiser, volunteers old and new and the presence of EC members and General Coordinators to speak to any new or existing members, as well as supporting our local university students with their projects. 2015 saw our members involved in seven of these projects. We continue to provide IT/Web support on these mornings and these have proved to be extremely popular with our members. Existing groups continue to meet and we have seen the introduction of an eclectic mix of new groups from *Learning How to be Retired* to *Mah Jong*. All groups continue to be ably supported by our three General Group Coordinators as well as the EC when required.

In the spirit of self-learning and self-development some members went further afield from Sheffield and attended and enjoyed summer schools organised by the Yorkshire and Humber Region (YAHR) in Barnsley and Third Age Trust (TAT) in Cirencester. Two new-member meetings and a coordinators meeting were held and the feedback received showed them to be very useful to the members who attended. The feedback on the subject of volunteers from the coordinators meeting was particularly pleasing and very useful. On this topic we have seen a slow but steady increase in our number of volunteers due to the hard work of many officers and non-officers of SU3A. We still need more but are confident that we will slowly but surely increase these numbers with the support of a newly created non-officer role of Volunteer Coordinator.

Many of our members join the U3A movement to increase their social contacts. They may be new to Sheffield or have lost loved ones and are on their own. The Open Groups activities and the Drop-Ins provide an opportunity to do this. In total the Open Groups (Travel Group, Weekenders, European Travel Group, Classical Concertgoers, Steel City Wanderers, Friday Lectures, Lunch and Lecture and Study Days) provided over 40 opportunities for our members to participate in a wide variety of events and excursions during 2015. Our members who have taken these opportunities have reported how well organised, informative and enjoyable they found them.

2015 saw SU3A celebrate some of its longest serving members and the EC decided that any members over 90 yrs of age would receive free membership and become honorary members of our organisation. To date we have 47 honorary members.

The facilities provided by Room 50 (Victoria Hall), which is open to all groups to hold their meetings, are proving to be useful. The lease to use this room was renewed for another year until June 2016 despite the current charges not meeting the full cost of the lease. Though we have seen an increase in usage and it is now used on a regular basis by several groups as well as the EC, and used for storage of SU3A equipment and files, we still need to increase it. For groups to rent the room the cost remains at £10.00 for a two hour session.

2015 has also seen the start of a review of our constitution based on the national template for all U3As provided by Third Age Trust (TAT). Our constitution was last reviewed in 2004 and we will be following the legal guidelines as laid out by TAT whilst trying to retain flexibility for the running of our SU3A. TAT at the time of this report was in talks with the Charity Commission to ensure their guidelines are up to date.

Another topic that has been debated by the EC is that of paid tutors, following not only revised guidelines but also a strongly worded recommendation from TAT, that U3A groups should not accommodate groups with paid tutors as this is against the fundamental principle of the U3A movement, namely of self-help and self-development and can lead to problems with insurance and HM Revenue & Customs. The EC has discussed this topic and sought guidance from TAT as we in Sheffield have some groups who pay for tuition and have been successful in receiving from TAT some flexibility and strict guidelines for these groups to continue with paid tutors. At the time of this report the EC were nearing the end of their communications with these groups.

It may seem to some members that there has been an increase in the rules, regulations and guidelines required for running SU3A. This is not necessarily so. As the requirements to meet the Charity Commissions regulation change and guidelines or regulations from TAT are amended, we in the SU3A have to be flexible and accommodate them. In doing so we ensure that we do not jeopardise our charity status, we maintain the fundamental principles of the U3A movement, and we ensure that our members retain relevant insurance cover for our group activities and protect our coordinators and trustees (EC members).

On behalf of the EC, I thank all our group coordinators for offering such a wide variety of activities; the Open Groups who work so hard and spend a great deal of time in organising events; the General Coordinators for supporting our groups; all our volunteers who beaver away in the background whether they be members of our refreshment team or non-EC officers, the Wild Apricot team who have successfully provided support to ensure almost 70% of our members have or will have renewed or joined online. All of you have made SU3A the envy of other U3As in our region and nationally.

Finally, I must thank my fellow EC members who have investigated the pros and cons of each topic brought up, voiced their opinions and thrown themselves into debates making my first year as Chairman both fruitful and enjoyable.

# **Independent Examiner's Report to the Members of the Sheffield University of the Third Age**

I have reviewed the income and expenditure accounts for the year ended 31 December 2015 and the balance sheet as at that date and report as follows:-

## **Respective Responsibilities of the Executive Committee and the Examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993) (*the Act*) and that an independent examination is needed.

It is my responsibility to examine the accounts (under section 43(3)(a) of *the Act*); follow the procedures specified in the General Directions given by the Charity Commissioners (under section 43(7)(b) of *the Act*) and state whether particular matters have come to my attention.

## **Basis of Independent Examiner's Report**

My examination was carried out in accordance with the General Direction given by the Charity Commissioners and included a review of the accounting records and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts and seeking explanations concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

## **Independent Examiner's Statement**

In connection with my examination no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 41 of *the Act* and to prepare accounts which accord with the accounting records and to comply with the accounting requirements of *the Act* have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

### **Feminists Over Fifty**

Many of us in U3A may have been part of the feminist movements of the 1960s, 70s and 80s, or have been drawn to feminist ideas and literature. I have started a fairly informal social group for feminist discussion and the exploration of feminist ideas, and what these mean for us in the third age. We are a very friendly feminist group, meeting monthly every second Wednesday of the month at the Showroom Cafe at 10.30 am. New members very welcome. Just turn up or ring Maggie:

*Maggie McCarthy Tel 0114 230 6600 [feministsoverfiftygmail.com](mailto:feministsoverfiftygmail.com)*

### **Are you interested in learning a new skill? Why not try Pottery?**

The Art House in the centre of Sheffield are offering Sheffield U3A members the opportunity to learn Wheel Throwing and Handbuilding pottery in 10 x 2 hour sessions on Wednesday mornings 10.00 -12.00.

The course will cost £130 each, but includes full tuition, materials, refreshments, potters wheels, sculpturing tools and kiln. There are only 12 places available and will be allocated on a first come basis. If there is sufficient interest, a meeting will take place to select a group co-ordinator and to hand over details of the Art House offer. It is hoped that after this course some members may gain sufficient experience/knowledge to take this group forward independently. To register your interest please contact:

### **Walking Group E celebrate 20 years**

Past and present members of Walking Group E recently came together to celebrate our 20<sup>th</sup> anniversary. It was a happy social event and included 13 of the 38 founder members and the 4 coordinators who have held the position over the last 20

years. Proof indeed that walking, in the words of the old advert, *Prolongs Active Life!* As well as good food and excellent company, Brenda McDermott presented an “Ode to Walking Group E” written for the occasion.

## Ode to Walking Group E

We've rambled and scrambled up hill and down dale,  
for the past 20 years give or take.  
Through corn and through kale, in sun and in hail,  
up holloway and down long rake.

We've tripped and we've stumbled, been seriously humbled,  
when fallen and stuck in the mud.  
But bloodied and sore we come back for more,  
cause there's nought like it for stirring the blood.

For trespass we've been apprehended,  
on land where cross farmer stood.  
She came hurtling down on her quad bike,  
but our leader had fled to the wood.

There's the day we lost Gordon, Keith's air ambulance rescue,  
and John left asleep in the sun.  
Pat stuck in the squeeze stile caused plenty of laughter,  
but it wasn't a question of tum.

Then there's the lunchtime banana,  
which way do you peel back the skin?  
and do you hide it to rot in the country?  
or take home for the compost bin.

Conversation is certainly not lacking,  
it's part of the pleasure you see.  
Some members see this as slacking,  
for pacing less seriously.

Now joints are needing refitting,  
hips, knees, and big toes reset,  
Climbs bring on huffing and puffing,  
but by golly, we're not finished yet.

And when in the long distant future,  
confined to our chairs and our beds.  
Once more we will set off walking,  
but then it will be in our heads.

*Brenda McDermott*

## **National Memorial Arboretum back by popular demand Saturday 14 May 2016**

We decided to repeat this event as it was so popular last time that we had many people who were unable to get on the trip.

*View over National Memorial Arboretum by NMA guide*

The memorial, near Lichfield, is on a 150 acre site containing over 300 memorials, both military and civilian. There are memorials to various bodies and individuals who have served their country, even one to a ship's cat. One of the more recent memorials is the Wall of Remembrance which was shipped back from Afghanistan.

**Unfortunately the memorial at the centre of the site will be closed during 2016.** Visitors will not be allowed up the mound whilst work is being carried out. However, there will be a temporary display nearby showing the memorial. We will arrive in time for members to attend the service of remembrance in the chapel if they wish and then there will be free time to wander around and maybe have some lunch. At 1.30 we are booked onto the land train which will take us around the site and we will be shown many of the more outlying memorials. Following this, we will be served cake and tea before our journey home.

If you would like to come on the trip, the cost is **£23.50**. This includes the coach, driver's gratuity, afternoon tea and the guided tour on the train. **Please book online** (login at <https://su3a.wildapricot.org> using your email address and password) or complete the form on **page 33** and return it to Jean Stevenson with your cheque, made payable to **Sheffield U3A Weekenders**, and a **small SAE as soon as possible**. Please ring Jean on 0114 327 6294 for any further information.

## Stamford and the Open Air Theatre Saturday 11 June 2016

Do you remember reading *The Wind in the Willows* about Mole, Ratty, Badger and the madcap Mr Toad? Come with us to see these characters and their antics brought to life by the Stamford Shakespeare Company on their stage set in an enchanting glade. All the seats are under cover and no performance is cancelled because of rain. (A T loop is available for anyone hard of hearing.) There will be free time in Stamford to have lunch and wander around this interesting little town before attending the afternoon performance.

The cost of the trip is **£27 per person** which includes the coach fare, theatre ticket and the driver's gratuity. Places are limited so if you would like to join us, **please book online** (login at <https://su3a.wildapricot.org> using your email address and password) or complete the form on **page 33** and return it to Dot Sutcliffe to arrive by **Friday 20 May**.

Please ring Dot on 0114 268 5918 for further information.

### **Travel Group Visit to Laxton Wednesday 25 May 2016**

Laxton in North Nottinghamshire is unique among the villages in England because only here has the open field system survived essentially unchanged since before the Norman Conquest. The system was once widespread in England, especially in the Midlands, but one by one the villages were enclosed until only Laxton was left. Today land around the village is still farmed according to the rules of “three course rotation” administered by a Field Jury answerable to the ancient Court Leet.

Our guide will be Stewart Rose, whose family farm is in the village. We meet him in the Visitor Centre for coffee and an introductory talk and video. Before lunch at the Dovecote Inn, Stewart Rose will take us to see the late 12th century Church of St Michael and some of the interesting buildings in the village. After lunch we will walk the fields with our guide and we hope to have access to the Motte and Bailey castle – a very fine example of its kind. We may expect the ground to be rough and uneven and who knows how much rain there will be around the time of our visit, so sturdy footwear is strongly advised.

The cost of this outing is **£23.00 per person**. This amount includes coach travel, gratuity for the coach driver, fee for our guide, coffee on arrival and assorted sandwiches and chips for lunch in the pub. Lunchtime drinks are not included but of course can be purchased at the bar. If you wish to apply for a place on this visit, please complete the booking form below and send it with a cheque and small s.a.e. to Valerie Wiley as soon as possible.

## **Travel Group Visit to Lion Salt Works, Northwich and Tatton Park, Knutsford. Wednesday 22 June 2016**

The Romans established salt-making in Cheshire over 2000 years ago. By 1850 the mineral rock salt supplies were exhausted and this resulted in a change to wild brine pumping. Henry Ingram Thompson constructed the Lion Salt Works in 1894 which ran on the site for almost 100 years, eventually closing in 1986. Thanks to a multi-million Lottery grant the Salt Works are now a restored historic open-pan salt making site in the village of Marston, close to Northwich. On our tour of the site and its restored buildings, we will discover how the salt works operated and the impact of salt on Cheshire's people, economy and landscape. We will have coffee on arrival and a light lunch in the café, before we continue our journey to Tatton Park in the afternoon.

Tatton Park is one of the most complete historic estates open to visitors. The early 19th century Wyatt house sits amid a 1000 acre deer-park and is opulently decorated, providing a fine setting for the Egerton family's collections of pictures, books, china and Gillow furniture. The theme of Victorian grandeur extends into the garden, with its Fernery, Orangery, Rose Garden, Walled Garden, as well as an Italian and Japanese Garden. A treat for Garden lovers!

The cost for the day is £35.50 and £26.50 for National Trust members. This includes coach travel, gratuities, admission, guided tour, coffee and lunch at the Salt Works and admission to Tatton Park for non-members of the National Trust. To reserve a place, please complete the application form on **page 41**, and send it with a small s.a.e. and a cheque to Barbara Robertshaw as soon as possible.

## Travel Group Visit to Scampston Hall and Gardens Tuesday 5 July

Scampston Hall is the much loved family home of the Legard family since the 1600's. It is amongst the best examples of a Regency Country House, combining fine architecture with a wealth of art treasures and set in 18th century 'Capability Brown' parkland.

On arrival we will be served coffee and homemade biscuits, before we visit the Walled Garden. Created by internationally acclaimed designer Piet Oudolf, it has striking perennial meadow planting as well as traditional spring/autumn borders.

Following a buffet lunch, we will have a guided tour of the Hall, after which we will have time to buy plants, have a cup of tea or just relax.

The cost for the day is **£30**. This includes coach travel, gratuities, coffee and biscuits, buffet lunch, guided tour and entrance fee.

To reserve a place, please complete the application form below and send it with a small s.a.e. and a cheque to Margaret Langrish as soon as possible.

## Travel Group Short Break to Suffolk Thursday 15 – Monday 19 September 2016

Our 5 day break will be based in the East Anglian river front town of Ipswich, staying at the Holiday Inn Orwell. Ipswich is one of the oldest continually settled Anglo-Saxon towns in England and much of the street pattern is unchanged after 1500 years.

We will have a Blue Badge Guide with us for a day visiting by coach some of the picturesque wool towns and villages including Long Melford, Sudbury and Lavenham with its fine timber-framed Guildhall. We will have a stop for lunch and time for a look around Bury St. Edmunds.

Probably the most iconic image from the Ipswich area is the Sutton Hoo mask (now in the British Museum). This mask was unearthed during the excavation of the ship burial site at Sutton Hoo, Woodbridge. The site and its visitor centre is an award-winning National Trust venue.

Just across the river from Sutton Hoo is Woodbridge Tide Mill. The earliest record of a tide mill on this site by the river Debden is in 1170. After a chequered history, it has been restored and is in full working order – a remarkable example of

our industrial heritage.

After a morning in the genteel seaside town of Southwold, we return to Ipswich for a visit to Christchurch Mansion which has the largest exhibition of Constable and Gainsborough's work outside London. On our way back to Sheffield we will have a pub lunch in Colsterworth before visiting Woolsthorpe Manor – the home of Sir Isaac Newton. The cost of this 4 night/5 day break is £340 per person with a single supplement of £60. This amount includes coach travel throughout, half-board at the hotel, all gratuities, entry to venues and one pub lunch. Anyone who is not a National Trust Member will need to pay £19 extra.

If you wish to apply for a place, please complete the form on **page 32** and send it as soon as possible to Margaret Bullivant with a cheque for £50 deposit per person. Please note that members are responsible for arranging their own travel insurance. Sheffield U3A cannot be responsible for any claims.
