

### **Gardening at Whirlow Brook Park.**

We are a friendly group that meet fortnightly on Wednesday mornings to maintain the area around the lily pond and the rockery. We are always happy to welcome new members, whether or not you have any experience of gardening.

We meet at 9.30 (10.00 during the winter months) and take a break mid-morning for coffee and biscuits. There is always a choice of tasks to do each week, whether it's gathering up dead leaves, doing some pruning or weeding, sweeping the paths or clearing out the water channels. Other tasks only need doing annually such as spreading a fresh layer of bark chippings on the paths or renewing the gravel on the rockery. You will also get the opportunity once a year to help clear silt and excess vegetation from the lily pond.

If you are interested in joining us then do please phone Anne Johnson on 0114-2365750 or come along to the park on the second or fourth Wednesday of the month. We would love to see you!
