

Our social media presence is currently limited to Facebook (FB) with no plans yet to extend this to other platforms such as X or Instagram.

Facebook Group

This was set up in 2023 and is a private members FB group open only to Su3a members. It has evolved into a Su3a “social group” of sorts with the Administrators acting in the role of Coordinators. The following rules apply-

1. Subject to the other provisions listed below, members are encouraged to treat this as a “social group” and post things which they feel other members might be interested in.
2. Groups are encouraged to advertise their activities or post photographs of their group but any member recognisably appearing in the photos must have given permission for their image to be posted.
3. Images which might be subject to copyright must not be used. There are a number of sites from which non copyright images can be sourced and these can be found in our Advice to Coordinators, Coordinators Documents part of the website.
4. Any member posting on the FB group must adhere to the Code of Conduct for Meetings where this document would apply. The document can be found on our website Su3a.org.uk under About Su3a, Policies and Guidance.
5. Su3a is a non-political organisation and this applies to any postings on the FB group. There are other topics which could be classed as controversial and the place to discuss these is in one of our discussion groups not on the Facebook Group.
6. The administrators will, from time to time, post items of general public interest. Examples of this would be the final date for registration to vote in an election, the suspension of bus, tram or train services. Group members may also post such information.
7. Any post which is deemed to be contrary to these rules will be taken down by the Administrators.

Facebook Page

This was set up in 2024 to help with recruitment and get the Su3a brand known to a wider audience. The following rules apply.

1. Only administrators can post to the FB Page but any member can forward information for inclusion on the page. E.g. vacancies in their group, group activities that might encourage non members to join Su3a.
2. The majority of posts will be Su3a or u3a related but exceptions can be made where a particular post might promote Su3a.
3. The administrators may “follow” other groups via the FB page in order to promote Su3a to a wider organisation.
