

Burgundy & Dijon

16th – 22nd May 2026

We travel by Silver Service coach to our hotel in Dijon for our 4 night stay. En-route we stop overnight in Riems and complete our journey to Dijon the following day. During this tour we will celebrate the culinary delights that this gastronomic region of France has to offer.

Dijon is regarded as the gastronomic centre of France and has recently opened the 'International Food & Wine Centre' featuring the best of French gastronomy and wines. We will enjoy a guided tour of Dijon taking in the Romanesque and Gothic churches and Medieval streets of the Capital of Burgundy.

We visit the little known gem of Besancon, which is the capital of the Franche-Comte region and home of Victor Hugo. The city straddles the River Doubs that has shaped and saved the city over the centuries. Even Julius Caesar recognised the defensive qualities of the location and many remnants of the fortifications remain including the incredible Military Citadel that sits above the city. We will enjoy lunch here at a local Brasserie.

One of the days will be dedicated to the wines of the region. We visit the town of Beaune, without doubt, the capital of the Burgundy. Here we visit the Hospice de Beaune, one of

France's most prestigious monuments with its flamboyant Gothic architecture. We have lunch at a local restaurant before going to the vineyards of Patriarche Pere et Fils. Here a sommelier guides us through the exceptional cellars with over 2 million bottles and introduces us to tasting up to 6 different wines.

On our way back to England we stop overnight at Auxerre with time to look around the stone and wood historic town centre, before returning to Sheffield the following day.

The Luxuria coach only has seating for 31. The seats are wide and comfortable with plenty of leg room. Like travelling business class on an airline but on a coach. There are drinks and snacks served on board and each seat has an entertainment screen.
