

How much did it cost?

1961

Now

A loaf of bread

5p

£1

A Pint of milk (delivered to your doorstep)

4p

80 p

Pint of beer (in a pub)

11p

£4.

Mini

£600

£16,000

[Mini Cooper for sale on Autotrader](#)

Petrol

4s 10d (24 p) a gallon

£5.85

A portion of fish and chips

15 p

£6

Average house

2600

226,000

Television

£300

£300

Washing machine

£75

£300

e

Flight to San Francisco

£200

£1000

(However can pay a lot less)

McDonalds 1974 (milkshake, burger and fries) 45p

Big Mac today

£3.30

These statistics are very much approximate but do give some idea of how prices have changed. To work out what prices from the sixties would be today multiply by 20. Difficult to compare a lot of things because of the increased choice we have today.

Average salary was

£750

£27,000
