

## From the Chair

After our 'curate's egg' of a summer I hope you are refreshed and ready for the busy year ahead. We have begun the countdown to our Silver Jubilee which starts on 15 January 2011. If you are wondering what all the fuss is about, I ask you, what other voluntary group in Sheffield with nearly 3000 members achieves so much with no paid staff, no premises, and no grant-aid? There can't be many!

So, next year is very special and we want to celebrate in style! We have been planning a programme of events, some of which you will find listed on page 5. Others (such as a debate with sixth formers, picnic at Chatsworth Park and an art and photography exhibition) are in the planning stage and will appear in *Links* at the appropriate time. Watch out for the Jubilee Signpost!

2011 will be a wonderful opportunity to blow the SU3A trumpet but there will inevitably be some additional costs. Donations will be very gratefully received (see page 5).

The Lord Mayor would like to hold a Civic Reception in January for founder members, officers and long-serving Coordinators. In relation to the last group, we have details of those who are currently undertaking the role, but are less certain about those who gave lengthy service (ten years' plus) **before** 2000. If you know of a member who would seem to qualify, please would you let Vera Dyer know so that we can be sure that they receive an invitation.

Our March event will enable you to have a tree or a shrub planted in memory of a loved one. A belt of land to the left of the rock garden in Whirlowbrook Park needs TLC and Parks staff will help us to transform it into a low maintenance woodland garden. They will loan us tools, give any necessary training and remove rubbish. They will work with us on a planting scheme which, in addition to shrubs like azaleas, could have a meandering path, bench(es) and wood carvings. There will be a plaque to record our contribution and a record of donated plants will be held for posterity. This will be our own Memorial Garden – and is an idea that could be replicated elsewhere in the city in years to come.

**Cover Picture : Voluntary Reading Mentor**

**See page 6**

Any member who is keen to see this happen is invited to a meeting at Whirlowbrook Hall Café on **Wednesday 20 October at 2.30 pm**. Members can help in any/all of three ways – by helping to clear the area; by donating a shrub; and by helping with the planting. There is also a further option - to help tidy the rock garden itself. If you cannot attend the meeting but want to help, please phone me or Paul Whyman (0114 236 5287). Further information will be on our website and in the December issue of *Links*.

One garden worth a visit is Winthrop Park Sensory Garden at Wickersley ([www.winthropark.co.uk](http://www.winthropark.co.uk)). It has been created on the site of a disused sewage works by a man who survived major heart surgery and who, having found solace in his own garden, vowed to make 'an oasis of tranquillity and peace' for others to enjoy. When he embarked on this, David had no idea whether he would live to see the garden completed, but he and his wife pressed on, raising funds and inspiring others to help them. The lesson I take from this when contemplating a new challenge is that it is often better to travel than to arrive, and the chances are that I will arrive anyway.

We may be younger than we think! Old age is constantly being postponed. In 1875 you became old at 50. Now we hear that in future people might be working until they are 70 or more. Maybe Katherine Whitehorn is right to say that 'a thirty-year sabbatical is not on'. But do we really expect people to work full-time until 70? In any job? What will the effect be on young people trying to join the labour market and on our strong culture of volunteering? I think this whole issue needs a great deal more thought. Letters to the Editor will be welcome.

Apparently 1 October is 'International Older People's Day'. The Government wants to see us tackling the outdated stereotypes of 'old age'. So, whilst Roy (currently an apprentice Bridge player) struggles with his Benjaminised Weak Two's, I shall help the cause by playing Beatles albums at top volume and by giving up my seat to a younger person on the bus. How will you mark the day? Just imagine, you could be the first SU3A member to get an ASBO!

# Sheffield U3A News Update

## Executive Committee Report

Here is an update from the September Executive Committee meeting, which we hope you will find informative.

We are now desperate to find a Deputy *Links* Editor. There is so much talent in SU3A, so surely, out of a membership of over 2800 there is someone interested in assisting John Williams? If you think you can help out, please contact John to find out what is involved (contact details inside the front cover of *Links*). Full training will be given - you can then use the skills with other similar publications.

We are pleased to report that Ken Cliff has now taken up the role of *Links* Distribution Officer, with help from Dave Caborn. Thank you, Ken.

As indicated in the last issue of *Links*, we are also in the process of trying to find a successor to our Treasurer, Jim Rowland (see advertisement on page 10).

We held an open meeting in August, in partnership with Chesterfield U3A, at the Hearty Oak, Dronfield, as part of our outreach programme. We are delighted to say that it was very well attended and hope, as a result, that we will have increased membership from that area.

Your Committee has not been idle over the summer months. There are now updated Guidelines for Coordinators. These guidelines are available within the Group Coordinators area on the website, which any member can access, and will also be distributed at the Coordinators' Meeting on 5 October.

In an organisation as large as SU3A, with such a diverse membership, inevitably there can be problems which need sorting out (thankfully few and far between!). A small working group was set up, which included a number of Coordinators, and we now have Problem Resolution Guidelines. This information is also available within the Group Coordinators area on the website.

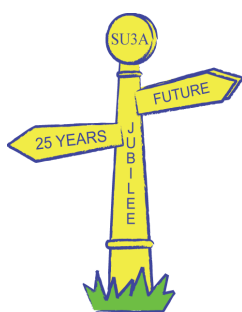

The Gift Aid Working Group was disbanded when Gift Aid was

absorbed into the general SU3A accounts. However, a sum has been ring-fenced for any Group that needs to buy equipment or items to enhance their Group's activities. These Gift Aid Guidelines are again available on the website. Thanks to all who contributed to producing these guidelines.

Finally, we make no apology for repeating the request for donations towards the Jubilee Year, made in the Chair's Report. We hope you will find the 'taster' programme of some of the events exciting and will feel able to contribute towards what will be a milestone year.

The date of the next Executive Committee meeting is 5 November 2010.

*Vera Dyer*

## **SHARE YOUR SKILLS**

### **Design the Jubilee Programme Cover**

Sheffield U3A is launching a competition to design a front cover for the special souvenir programme to mark the Silver Jubilee Event at Wortley Hall on 30 June 2011. The winning entry will reflect the activities of SU3A and promote our anniversary.

Entries should be A4 size and in colour. Please include your name, SU3A number and contact details. Entries should be sent by post or email to: Pat Battams, Publicity Coordinator SU3A, 74 Springfield Road, Sheffield, S7 2GD, or by email to to arrive no later than 1 December 2010. The winner will be informed by the end of that month and published in the February *Links*. The judges' decision will be difficult, but is final.

So, get out your paints, sharpen your pencils, switch on your computer, get snappy with the camera – we know how much talent is out there. Please share it with all of us!

### SILVER JUBILEE DONATION

As you know, the Executive Committee is working hard to make our Jubilee Year extra special. All the events are being organised by our members and most will be self-financing. However, we do need to raise some extra funds to cover additional publicity and administrative costs.

At the SU3A AGM in April 2010, the question of applying for sponsorship from outside organisations to help towards funding the Jubilee events was raised. Some members felt that, before considering the sponsorship option, we should try to raise as much of the funding as possible from within the membership.

You are therefore invited to make a donation towards the year's celebrations. Please make your cheque payable to SU3A, marked 'Jubilee' on the back, and send to: Jim Rowland, SU3A Treasurer, 41 Renshaw Road, Sheffield, S11 7PD.

Many thanks.

The Executive Committee

## **Could you become a Volunteer Reading Mentor in a Sheffield Primary School?**

As an active response to concerns that, nationally, 1 in 5 pupils entering secondary school at the age of 11 do not meet the level expected of them in English, the Inclusion and Learning Service within Sheffield City Council's Children and Young People's Services set up a project to recruit Volunteer Reading Mentors.

Quality one-to-one reading support from a volunteer mentor over a 10 week period can achieve a significant improvement in a child's reading age. Growing confidence and self-esteem leads to pupils being able to access all aspects of the curriculum and gives them a head start in tackling the new challenges of secondary school (and indeed increases their employability in the future).

SU3A became involved in the project in early 2009 and there has been an enthusiastic response from members. Currently 29 SU3A volunteers work in 14 primary schools across Sheffield. The Project Team at Sheffield City Council very much values our contribution and would welcome new Sheffield U3A volunteers to the project.

**Are you interested?** The Project is offering registration appointments on **19, 20 and 21 October 2010**.

In a short interview you will be asked to register your personal details with the Project Team, and take part in an enhanced CRB check, due to the nature of the work.

To book a convenient appointment, and for any further information, please contact Faye Jeffrey, Assistant Project Officer, Sheffield City Council on (0114) 250 6853

**Please remember to tell Faye that you are a SU3A member.**

Your SU3A link contact is Yvonne Rowland –

## **Lectures for All**

Sheffield U3A invites you to the next event in their series of monthly Lectures. This event takes place at The Showroom Cinema 2, Paternoster Row. Sheffield S1 2BX.

Take advantage of the FREEBEE Bus - it stops right outside. Coffee and biscuits can be purchased from 10.00 am prior to the lecture, which begins at 10.30 am until 12.00 noon.

Lunch is available to buy in the café afterwards if you don't have to rush home.

**FRIDAY 19 NOVEMBER 2010**

### **Crime in 18<sup>th</sup> Century London by Prof. Robert Shoemaker**

This illustrated lecture shows that crime was one of the prevailing themes in the burgeoning literature of the eighteenth century. Whilst that literature is fascinating, it is also in many respects misleading.

Prof. Shoemaker will question the myths that London in this period was besieged by a criminal underworld and that the state responded with a brutal, bloody code of punishment. He will talk about highway robbery, the murder rate, hanging, transportation and imprisonment; and will consider the view that In many respects the eighteenth century witnessed the birth of the modern criminal justice system.

Join us for this FREE event. Everyone is welcome.

## **Research Projects**

### **A Study into the Kitchen Environment**

Sam Hyde is a PhD student at the University of Sheffield, studying in the Department of Mechanical Engineering. He is looking at the interaction between users and their environment in the kitchen, focusing on the hand-handle interactions that occur in this scenario.

He is wishing to recruit participants for some simple physical testing of manual strength, dexterity, skin friction and finger sensitivity. He is also trying to recruit participants to complete an online survey into people's interactions with the kitchen environment.

If you would like to participate, please contact him at the Department of Mechanical Engineering, Mappin Street, Sheffield S1 3JD; telephone (0114) 222 7805 or (07999) 415 595.

### **Participants Needed**

Participants are needed for a research study undertaken by Sheffield Hallam University in collaboration with Sheffield University and Sheffield NHS Teaching Hospitals Trust.

Men aged 60-80 years are needed to form part of a control group, whose results will be compared to patients with prostate cancer. The study aims to investigate cardiovascular health in men with prostate cancer on androgen deprivation therapy. This study hopes to advance knowledge on the cardiovascular effects of treatment options for prostate cancer patients.

Men willing and eligible to take part will be required to attend one testing session lasting approximately 90 minutes. During this session your vascular function will be assessed and a venous blood sample will be taken. Testing will take place at the Centre for Sport and Exercise Science, Sheffield Hallam University, Collegiate Campus, Ecclesall Road, Sheffield.

If you are interested in volunteering to take part in this project, or would like any further information, please contact Stephen Gilbert, study researcher, on (0114) 225 5865

## **Hallam Future Bathroom Research Project**

We are going to the bathroom. We enter the doorway and look around. The walls are different somehow - new tiles, soft flexible tiles so we feel comfortable with them; but where is the toilet and what happened to the bath? We look again and find a seat with a small hand basin close by. Could this be the loo? The new bath is equally strange - it folds up and is made of cardboard. Is this a dream or is it some preposterous world we now live in?

It is a bathroom in a not too distant future. Soon the wooden and card models will be replaced by more realistic furnishings, awaiting evaluation. And this is where SU3A comes in.

If you are interested in viewing the results of the Future Bathroom Project, please give me a call or contact Heath Reed on (0114) 225 6762 to see their work. You will be very welcome.

*Peter Barclay ..... (0114) 230 4327*

## **Do you use Open Learning Material?**

As some of you may know, there is Open Learning material on a variety of subjects available as free downloads from the national U3A website. Have any Groups or members taken advantage of this material? If you have, would you let your Secretary, Vera Dyer (contact details on inside of the front cover) know whether you found it useful?

### **YOUR LAST CHANCE**

#### **Lunch and Lecture - Friday 22 October 2010**

Come and make new acquaintances over an excellent lunch, followed by the opportunity to hear a local historian, Mike Higginbottom, give an entertaining and informative, illustrated talk on how and where the workers of Britain, in the nineteenth and twentieth centuries, enjoyed their leisure time.

If you wish to join us at 12 noon for lunch at 12.30 pm at the Sheffield Park Hotel, Meadowhead; please complete the form at the back of this issue of *Links*.

*Doreen Bezant ..... Coordinator ..... ( 0114) 236 6596*

The present SU3A Treasurer will finish his term of office at the AGM in April 2011.

We are looking for a member of SU3A to fill this post. The post requires basic accounts knowledge, but it is not necessary for the holder to be a qualified accountant.

If you would like further information, please ring the current Treasurer, Jim Rowland, on (0114) 266 1793.

### Hookline Novel Competition 2010

This literary competition is open to new authors studying for an MA in Creative Writing. It is unusual in that judges are sought from the reading public, which is why Book Group II are proud to have been invited to contribute to this year's results.

Assessments are made on plot, writing style, character development and reader satisfaction. Titles vary from "The Baby in the Phone Box" to "Leeward Lady" and, as might be expected, the content of the books on the shortlist covers a wide spectrum.

We are busily reading our way through this year's finalists, in addition to our monthly book, of course. The deadline is 31 October with the winner being declared shortly afterwards.

It is an interesting approach and more information can be found on [www.booklinethinker.com](http://www.booklinethinker.com).

*Irene Voyce ..... Coordinator ..... Book Group II*

### Enjoying Literature

Meeting on the first Thursday morning of each month, the Group chooses a topic from any branch of literature – novels, poetry, drama, biography and so on.

Each member introduces and reads a suitable extract from his or her chosen source; the Group then discusses it.

Besides being interesting in itself this procedure introduces new books or stimulates re-reading of books read long ago, but now neglected.

We now have one or two vacancies; anyone interested should speak to the Coordinator on (0114) 236 5060.

## **Thursday Bridge Group**

The Thursday Bridge Group has vacancies for new members. We play duplicate bridge at Abbeydale Sports Club in the upstairs function room (lift available) every Thursday afternoon, at 12.45 for 1.00 pm. The annual subscription is £30. Please contact the Coordinator, David Jones on (0114) 236 7405 for further details.

## **Classical Concertgoers' Group**

Our final concert in 2010 will take place in the recently refurbished Town Hall in Birmingham, on Sunday 21 November. It will be given by one of our major performing groups, the English Chamber Orchestra, directed by Howard Shelley, who will also be the soloist. The attractive programme includes the Symphony No. 96 "Miracle" of Haydn, Mendelssohn's 1st Piano Concerto, Saint-Saens' 2<sup>nd</sup> Piano Concerto and concludes with Beethoven's 8<sup>th</sup> Symphony. An optional pre-concert talk at 6.15 pm is included.

The cost is £29.00 per person and reservations may be made using the reply slip at the end of this issue. Remember to enter the names and contact numbers of all members for whom you are applying. Please send applications as soon as possible, with a small stamped addressed envelope, to Derek Shipley, 40 Wollaton Avenue, Sheffield, S17 4LA. The coach will leave the bus parking bay on Ecclesall Road South, near the top of Millhouses Lane, promptly at 3.45 pm.

Our visits are open to all SU3A members. No special Group membership is required.

## New Groups and Courses

### Close Harmony Singing Begins

A six week course, for all the gentlemen who registered with me, will begin on Tuesday 26 October at Holt House Infant School, commencing at 7.30 pm. These members have already been contacted by post, but there are still a few places available for anyone who is interested. You will need to telephone me for further details. All SU3A members are cordially invited to attend any of the main chorus practices on any Tuesday. You may even get a complimentary cup of tea!

This '*learn to sing close harmony*' course does not require you to be able to read music. At the end of the evening's lesson, members may remain and join in or listen to the main chorus.

At the moment, I am still negotiating with the conductor of the Ladies' Chorus and so all ladies who have registered with me will be contacted by post when details become available.

### Understanding our Spiritual Experiences

Many of us have experiences in our lives which, no matter how modest, point to a transcendent realm of reality. We feel for a moment or two in a heightened state of awareness. For example, it may happen when we are witnessing a sunset, or the birth or death of someone, or while we are listening to music. Or we may have the experience of *being here before*, or that prayer and meditation have a real and positive effect in our lives.

The emphasis in this new Group will be on exploring and attempting to understand these sorts of experiences, not arguing about religious beliefs.

It will meet monthly at 78 Cherry Tree Road, Nether Edge, on either a Wednesday or a Thursday during the day. If there is sufficient interest, a meeting will be called to decide which will be the most popular time to meet, and on what date it will begin in the Autumn.

If anyone is interested in joining such a Group, could they get in touch with Robert Chamberlain on (0797) 490 6421

## **Enjoy Visiting Art Galleries?**

This new Group could be for you. We propose a new Group, visiting art and photography galleries and exhibitions.

Our concept is for the Group to agree a programme of monthly visits to galleries, mostly in the northern half of England, such as Manchester, Birmingham and so on; travelling usually by train, but with the occasional car sharing. Members of the Group would buy their own tickets and then we would meet either at the station or at the gallery. We could view the work in pairs or small groups and meet in the café for coffee/lunch and informal discussions. The idea is to share and reflect on our enjoyment of art with like-minded people.

We would meet on the first Tuesday of each month. To save costs it would be an advantage to have a bus pass/rail card and be able to book train tickets online.

If you are interested, please phone Linda Jackson on (0114) 235 0852 .

**Thinking of Forming a  
New Group?**

Always contact the General  
Coordinator to discuss your idea first.

## Travel Excursions

### Christmas at Harewood House

### Thursday 9 December 2010

This year, our Christmas outing will be different. We will visit Yorkshire's Royal Stately Home, Harewood House, the home

of the Lascelles family. The house, designed by John Carr, displays some of the finest work of the interior designer Robert Adam and Master Cabinet Maker Thomas Chippendale. Included in its outstanding collection are Renaissance masterpieces, watercolours by Turner, Sévres porcelain, Chinese ceramics, as well as 20<sup>th</sup> century sculptures.

Our visit will start with coffee/tea and homemade biscuits in the Grand Entrance Hall. This will be followed by our own exclusive guided tour of the State Rooms and the below-stairs area. After the tour, we can relax in the Christmas-themed and decorated Terrace Café and Gallery with a lunch of beef casserole served with roasted vegetables and potatoes (a vegetarian option will be available). For dessert, we will have a chocolate and orange tart served with mincemeat ice-cream. Tea/coffee will round off the meal.

Afterwards there will be time to spend at the Harewood Christmas Market for some retail therapy. Choirs singing and brass bands playing carols and Christmas music will provide entertainment. The cost of the day is £35.00 per person. This includes the coach fare, gratuities, entrance and guided tour of the house, coffee and biscuits on arrival and a two course lunch. To reserve a place, please complete the booking slip at the end of this issue and send it with your cheque as soon as possible to Barbara Robertshaw.

## **North Wales Holiday**

**12 - 16 June 2011**

Llandudno is North Wales' premier resort and it will be our base for this short break. We will be touring the picturesque Snowdonia National Park and the Island of Anglesey.

On the first day we will travel to Llangollen for a canal trip over the Pontcysyllte Aqueduct, which was built by the famous engineer Thomas Telford. We will have lunch (not included) in Llangollen, before continuing to the Ambassador Hotel in Llandudno, passing through breathtaking mountain scenery.

On the following days the programme includes a day in Anglesey, visiting Beaumaris Castle and Plas Newydd (NT), the home of the Marquis of Anglesey. We are also going on an underground tour of the Electric Mountain in Llanberis, Europe's largest pumped storage power station, which generates hydro electricity. In contrast, the National Slate Museum in Llanberis gives an insight into the history of the quarrying industry.

For railway enthusiasts, no doubt, the highlight will be a train ride on the Snowdon Mountain Railway to the summit of the highest mountain in England and Wales, with spectacular views on the journey up and down.

Garden lovers (and others!) will enjoy a visit to Bodnant Gardens (NT & RHS), with plants and trees from all over the world. We will spend our last morning in Conwy, visiting the castle and seeing other attractions in the town.

We shall be staying at the Ambassador Hotel, which enjoys a prime position on the promenade. All bedrooms are en-suite, with the usual facilities, and two lifts serve all floors. The cost of the four night / five day holiday is £355 per person, with a single supplement of £33. Included are bed, breakfast and evening meal at the hotel; coach throughout and all gratuities; the train fare and all admission fees, except for the two National Trust properties.

## **Walking Group F in Austria**

Not even the very early start could dampen the spirits of 18 members of F Group as we flew off to Innsbruck on 12 June 2010 for our first joint venture abroad. Sunshine greeted us as we arrived at our beautiful hotel in Neustift and were welcomed with a drink.

The Bergkönig was excellent in every way - lovely rooms, delicious food and a pleasant and relaxed atmosphere.

Our map readers and walk planners presided over a daily after dinner meeting and each day organised two different sorts of activity. Sometimes we started together and split up along the way, so that those who wanted to go further could do so. On one occasion nearly half the group spent the day in Innsbruck. We all bought the Stubai Karte, so that we could use the lifts from the valley and admire the wonderful views we had seen on the postcards. Sadly F Group is expert at arriving in places as the weather changes, so cagoules and overtrousers were often the order of the day! We were not deterred, however, and never failed to go out.

Nevertheless, we had a really wonderful and happy holiday. We have vivid memories of the walks, mountains, wild flowers, waterfalls, Sunday procession in the village and rushing back to get Kaffee und Kuchen at the hotel before 5 o'clock. Some of us remember seeing our three wise men disappearing up the rocks and into the clouds to write in the Elferspitze summit book. On another day we remember toiling up to a col only to slither down a zig-zag path in the scree on the other side. Neither will we forget arriving at the cable car in a thunderstorm and being dispatched to the restaurant because they had stopped the lift. What a good excuse for a beer! All of us remember the last day when we sought shelter in a tiny Gasthaus, took over all the seats and ate all the available Apfelstrudel! We made their day.

Of course the best thing of all was the company. We had so much fun together that we're going to do it again next year.

Auf Wiedersehen Österreich!
