

Local Heritage Listings

Following the Local Heritage Listing workshop on 10 January with Sarah Cattell, the lead for South Yorkshire, a group of members have agreed to meet informally at the next drop in session on **1st February** to discuss how best to take the project forward.

All interested members are very welcome, whether or not you were able to attend the workshop.

Information about Local Heritage Listing is available on the website local-heritage-list.org.uk/south-yorkshire, alternatively I can send you some brief background documents (mhtbrown128@gmail.com).
