

Sheffield Teaching Hospitals are looking for new members to participate in their public involvement groups. Involving the public in research is crucial. It ensures research is carried out that meets the needs of patients, and that tests and research documentation is straightforward to understand. No experience is necessary, and you can be involved as much or as little as you want. You can find out more about public involvement in this research: <https://www.sheffieldclinicalresearch.org/for-patients-public/how-to-get-involved/> or alternatively email: sth.getinvolved@nhs.net
