

YAHR AGM and Regional Workshop on 'Raising the Profile of your u3a'

DIRECTIONS TO ST GEORGE'S CENTRE.

This is a city-centre location within relatively easy reach of public transport.

According to Google Maps it is about 14 minutes' walk from the Leeds mainline station to St George's Centre. (If you head for the back of Leeds Town Hall – with a large clock tower - and then turn left on Great George Street, pass the old Victorian part of the Infirmary on your right, then pass St George's church again on your right and the Conference Centre is just behind the church. If you get to the bridge over the Inner-City Ring Road – you've gone too far – turn back!)

As parking is limited (and expensive) in any city centre, it is best to avoid bringing your car.

If necessary, you can find parking via Google, perhaps The Light is the nearest.

For travel directions please see:

NB – If you Google 'St George's Centre, Leeds – there are TWO of them – check you have the Conference Centre on Great George's Street, not the NHS one in Middleton.

Our room is on the ground floor and should be fully accessible. If you need permission to use their own (very limited) disabled parking space please e-mail Angie Grain to arrange it for you. (events@yahr3a.uk)
