

WOULD YOU LIKE TO TALK ABOUT YOUR LIFE IN SHEFFIELD?

Participants wanted for an MA research study on English identity and belonging

Birkbeck, University of London

I'll be travelling to Sheffield to meet participants in person.

I would love to hear from you if you:

identify as English • and live in Sheffield, or have a strong connection to the city

What is the study about?

I am exploring what being English means to people in Sheffield, how the city shapes their sense of belonging, and whether these understandings change over time. I am interested in your own experiences - there are no right or wrong answers.

WHAT WOULD WE TALK ABOUT?

- Englishness and identity
- Sheffield and your sense of belonging
- Personal and family memories
- Traditions and experiences
- Things that may have changed over your lifetime

WHAT IS INVOLVED?

- One informal, friendly conversation
- No preparation needed
- No right or wrong answers
- Participation is entirely voluntary
- Relaxed and conversational - not a test or formal interview

Think of it simply as a friendly conversation and a chance to share your own story, perspective and experiences.
